### High School Coaches' Newsletter - August 2011

#### Take advantage of the free USBC Coaches Registration Program

The USBC High School Coaches Registration Program is now available for all varsity and club teams. If you are a coach or program administrator for a high school bowling team, make sure to sign up your coaches and student-athletes to this free program. Great benefits include:

- A copy of the *USBC High School Guide*
- Monthly e-newsletters featuring coaching tips and information on USBC programs and promotions
- The opportunity to nominate players for the Dexter/USBC High School All-American Team
- Limited Honor Score awards program

Go to [BOWL.com/highschool](http://BOWL.com/highschool) for more information and to register.

#### Sign up your bowlers for USBC High School memberships

The USBC High School membership certifies your bowlers as USBC members. For bowlers on your team who are not already USBC members, the cost of this membership is \$5; if a bowler already holds a USBC Youth membership, there is no cost but they must fill out a membership application. Because this is an individual membership, not everyone on the team has to join. With this membership, bowlers will receive:

- USBC Youth membership card
- USBC certified average (minimum of 12 games)
- Eligible to bowl in USBC certified tournaments through July 31
- Eligible to be nominated and apply for USBC scholarships including the Dexter/USBC High School All-American Team
- Ability to earn USBC Youth Honor Scores
- Ability to earn USBC High School awards
- One issue of *US Youth Bowler*

#### YES Fund High School Funding Grant

Do you know a school in the area trying to start up a high school bowling program? Or has your school lost its school

funding because of budget cuts?

If so, you are eligible to apply for a YES Fund High School Grant. Through the program, each year up to four schools are awarded a \$2,500 grant to get a bowling program off the ground or to keep it running. The YES Fund will begin awarding grants in early 2012 so make sure to apply now.

Click [here](#) for an application.

### S.E.T.S. Grant

The Bowling Foundation, Bowling Proprietors' Association of America and USBC are working together with help from industry suppliers and manufacturers to put forth an equipment grant program to high school teams that cannot afford equipment.

To apply, click [here](#) to download the team application or click [here](#) for the individual application and submit to:

### Be a part of the USA Bowling Coaching clinics

USA Bowling Coaching clinics - free seminars taught by USBC certified coaches - are now being offered throughout the country. The purpose of the clinics is to teach volunteers the basic skills needed to coach the sport of bowling to our youth but also are great sources of information for all coaches.

Coaches taking part in the seminars will receive free curriculum and instruction from some of the most respected bowling coaches in the nation. Visit [BOWL.com/usabowling/coaching](http://BOWL.com/usabowling/coaching) to find a location near you or contact Emily Maier, IBC Youth Development Program Manager, at [emaier@ibcyouth.com](mailto:emaier@ibcyouth.com) for more details.
