The webinar will be conducted on Thursday, October 13 at 8 p.m. Eastern.

### **Great deals through Member Rewards**

As an added benefit of membership, USBC has partnered with several companies on exclusive benefits for our members on products they may already use.

Companies such as DirecTV, T-Mobile, Nationwide and many others offer cost-savings deals to USBC members. To view the companies and their offers, go to [BOWL.com/memberrewards](http://BOWL.com/memberrewards) or click [here](#).

### **Backups to WinLABs**

In order to keep the databases of associations up to date and to prevent any problems in the future, all associations are reminded to perform a backup of their WinLABs database.

To conduct a backup, please click on "Association" in the top left of the WinLABs program and select "backup".

### **Look at what USA Bowling has to offer youth bowlers**

Growing a youth program has never been easier! The new USA Bowling program is structured to help mold our youth into lifelong bowlers. Through instruction from a volunteer coach and regular practice outside of weekly competition, children will have fun while learning everything from the fundamentals of bowling to life skills including teamwork and sportsmanship.
